

The **auxano** group

ROS

“Generating products of excellence” the Italian marine seat manufacturer, Ros Nautica does not simply sell its products to its customers but wants to create them as a team. **Every seat is unique to you** - a combination of Italian design, help from our staff in Manchester and your own ideas.

Alcor

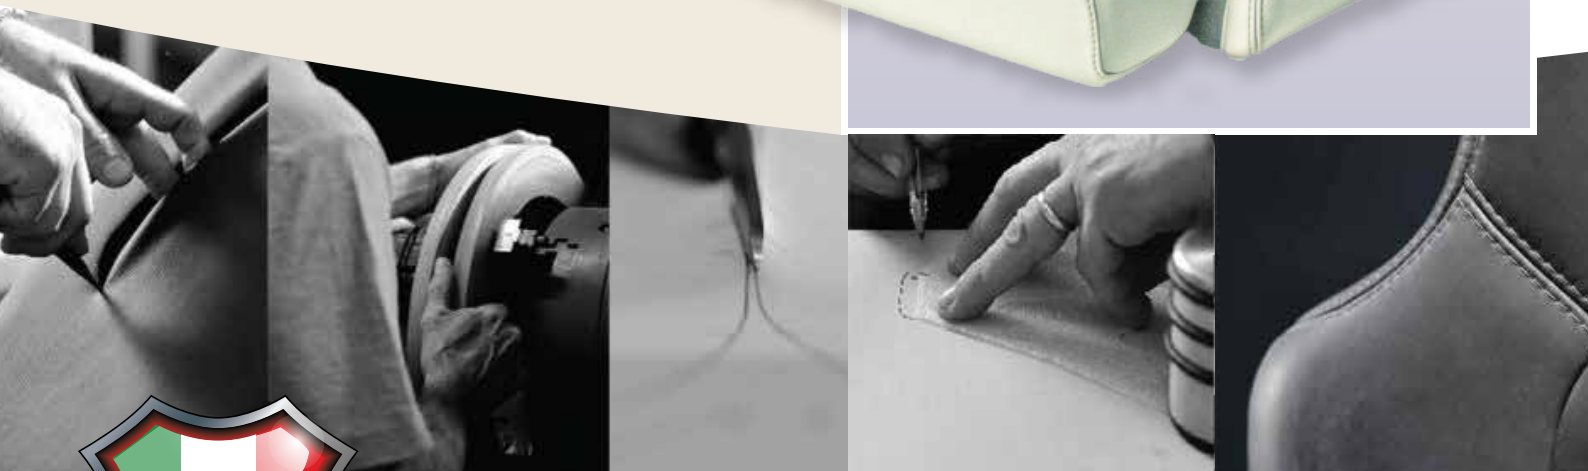

ROS Alcor GTS

The normally exposed shell of the Alcor is upholstered resulting in an essential but precious seat. The lateral openings confer a sporty and dynamic touch that depending on the characteristics of the wrapping, whether in leather or vinyl makes it adaptable to the most distinct environments, from sporty hi-tech to the most traditional.

The stainless steel flip-up bolster mechanism provides for a prestigious and versatile product that can be wrapped with leather or vinyl, suitable for any helm environment. Inspired by the bespoke seats of dreams but designed specifically for the marine environment, it is capable of complying with the stringent requirements of boat owners in terms of comfort and function.

Main Features:

- Ergonomic.
- Robust and durable PEHD frame.
- Flip-up bolster.
- Customizable colours.
- Possibility of logo.
- Possibility of slider
