# Mizar

## ROS Mizar Double

The Mizar Double is a prestigious helm seat that embellishes the helm area of the most important motor yachts. A bespoke seat of dreams but specifically designed for the marine sector, it complies with the requirements of the most demanding boat owners in terms of comfort and functionality, thanks also to the flip-up bolster that can be single or double. The reduced side restrainers in conjunction with the raised bolsters allows for significantly increased moving space between wheel and seat if necessary.

The seat is classic and sporty at the same time.

The shell of the seat is designed and manufactured in composite material and stainless steel and in conjunction with the stainless steel mechanisms, vinyl or leather upholstery is adaptable to any top class helm environment.
