

The **auxano** group

ROS

“Generating products of excellence” the Italian marine seat manufacturer, Ros Nautica does not simply sell its products to its customers but wants to create them as a team. **Every seat is unique to you** - a combination of Italian design, help from our staff in Manchester and your own ideas.

Phecda

ROS Phecda

Inspired by the bespoke seats of dreams but designed specifically for the marine environment, it is capable of complying with the stringent requirements of boat owners in terms of comfort and function.

The lateral bucket restraints descending harmoniously towards the seating cushion convey elegance to a seat that can be inserted in the most traditional environments.

The specially designed shell in polyethylene and stainless steel mechanisms complete a versatile seat, in leather or vinyl suited for any top-class helm environment.

Main Features:

- Ergonomic
- Robust and durable PEHD frame.
- Flip-up bolster.
- Customizable colours and materials
